

# Mohamed Hamed MOHAMED AHMED

## Full-Stack Developer

Full-Stack Developer holding a BSc in Computer Science and a passion for crafting seamless web and mobile applications. With 2 years of hands-on experience, I excel at merging creative front-end design with robust back-end development to elevate user engagement. Eager to bring my comprehensive skill set to a forward-thinking team, I aim to drive innovation and excellence in application development.

## Education

**Bachelor in Software development** — [Institut Supérieur de Comptabilité et d'Administration des Entreprises](#) Nouakchott, NW, Mauritania

From January 2021 to July 2023

**High school diploma in sciences** — [College Arafat 8](#) Nouakchott, NW, Mauritania

From October 2019 to September 2020
